## **21 - ANTI-COVID RULES TO FOLLOW**

**Due to the Corona Virus pandemic we are forced to change some rules to avoid another virus spread, following the directions of the Italian Health Ministry and UCI.**

**MANDATORY dispositions for riders and Team Managers to enter the Bmx Olympic Arena:**

- **Wear the mask all the time**
- **Temperature check (in charge of organization)**
- **Deliver the self declaration to your Team Manager**

**For the public:**

- **Wear the mask all the time**
- **Control the temperature**

**The track will be divided in three zones (see the following map):**

**Green zone – the track – only riders can stay without protection mask**

**Yellow zone – Team Area – riders, all Team Managers and Assistant with mask all the time. Only riders can stay without mask only during warm ups. In this area Team managers are responsible to make sure the athletes keep the safety distances (1m)**

**White zone – public zone – Wearing the mask is mandatory all the time. To sit on the stands is mandatory to keep one seat empty in between each spectator.**

**In all the zones you have to keep distances each other (1m).**

**Follow UCI recommendations in the Team Area we will create “Bubbles” by Nation and not by Team.**
