BMX OLYMPIC ARENA VERONA

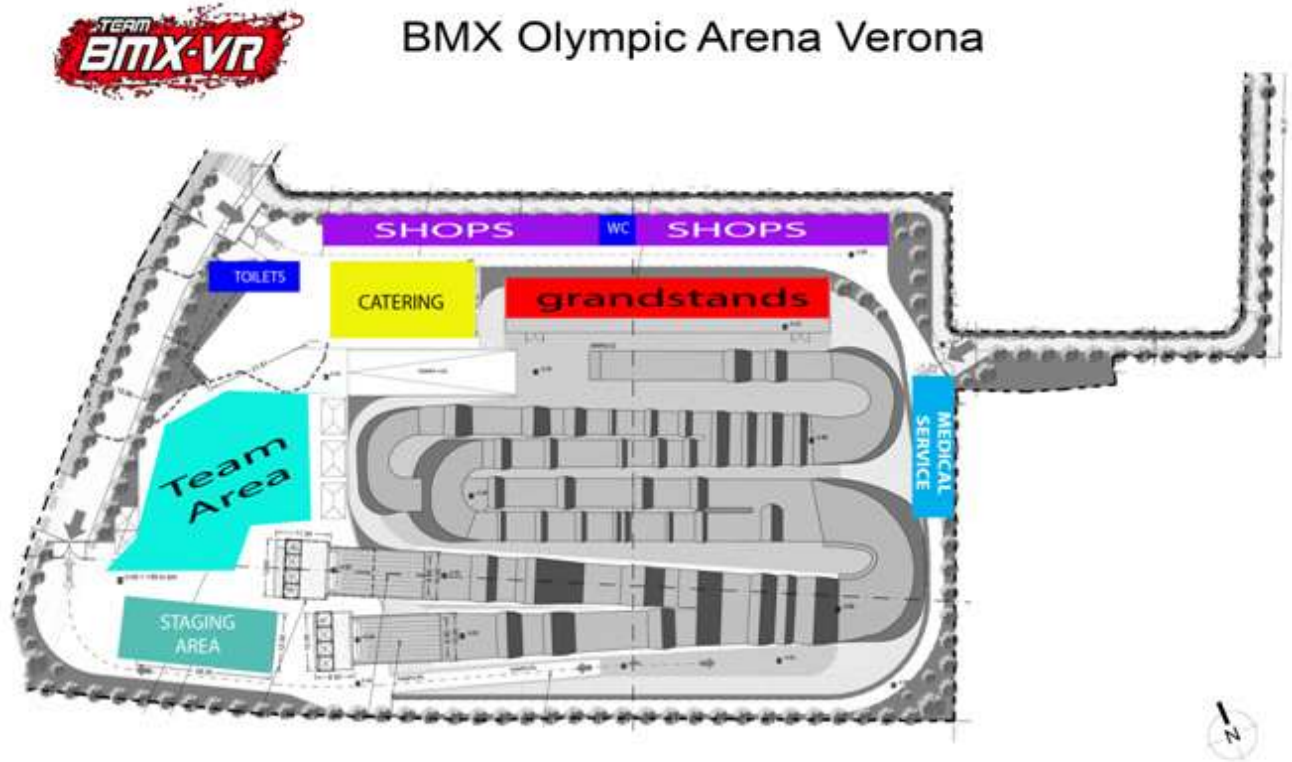

BMX Olympic Arena Verona

Verona loc. La Spianà, zona stadio Bentegodi

Realizzata nel 2013, la struttura costituisce il primo impianto di eccellenza per la pratica del BMX Racing in Italia e l'unico di questo genere esistente nel centro-sud Europa. La principale caratteristica della pista è la presenza di due percorsi distinti, **Challenge** e **BMX Supercross** (SX), ognuno dotato di propria rampa di partenza e aventi in comune solo due curve e il rettilineo finale. Il tracciato Challenge è dedicato alle categorie giovanili, amatoriali e agonistiche fino a 16 anni. Il percorso SX è riservato alle categorie denominate Championship: Junior (17/18 anni) ed Elite (dai 19 anni). Il BMX SX è l'ultima evoluzione del BMX Racing ed è su questo tipo di tracciato che si disputano le prove Olimpiche, i Campionati Mondiali, la Coppa del Mondo e, dal 2014, i Campionati Europei.

10. VENUE MAP
